SWISS MEDICAL NETWORK REGENERATIVE DAY

FRIDAY, 21 NOVEMBER, 2025

Genolier Innovation Hub

Moderator

Prof Dr Victor Valderrabano

FMH Specialist in Orthopaedic Surgery and Traumatology

Sports medicine SEMS/GOTS

Swiss Ortho Center, Schmerzklinik Basel, Privatklinik Obach

OPENING

09:00 – 09:10

Welcome Speech

Dr Philippe Glasson

Chair of the Medical Coordination Group

Vice-Chair of the Board of Directors

Swiss Medical Network

SESSION I

CURRENT CONTEXT OF REGENERATIVE MEDICINE

09:10 – 09:20

Scientific Overview: Orthobiologics in Orthopaedics

[+5 Q&A]

Prof Dr Victor Valderrabano

FMH Specialist in Orthopaedic Surgery and Traumatology

Sports Medicine SEMS/GOTS

Swiss Ortho Center, Schmerzklinik Basel, Privatklinik Obach

09:25 – 09:45

Overview of the Legal Framework

[+5 Q&A]

Maître Benedetta S. Galetti

Doctor of Law – CAS in Data Protection

Lawyer

André Associés SA

SESSION II

CLINICAL APPLICATIONS

09:50 – 10:15

ORTHOPAEDICS

Overview on Regenerative Medicine Development

Inclusion into an Academic Program

[+5 Q&A]

Dr Daniel Saris MD, PhD

Chair, Division of sports Medicine

Professor of Regenerative Medecine & Orthopaedics

Mayo Clinic

10:20 – 10:45

Clinical Application of Stromal Vascular Fraction (SVF) in Orthopaedics : from intra-articular to periarticular regeneration

[+5 Q&A]

Prof Dr Philip Schoettle

Head Physician, Lower Limb Orthopaedics,

Chief Medical Director, Lower Limbs, IATROS

Senior Medical Director, Ortho Health Munich

COFFEE BREAK

10:50 – 11:00

11:10 – 11:35

Treating Other Joints: technique AMIC in the Ankle

[+5 Q&A]

Prof Dr Victor Valderrabano

FMH Specialist in Orthopaedic Surgery and Traumatology

Sports Medicine SEMS/GOTS

Swiss Ortho Center, Schmerzklinik Basel, Privatklinik Obach

11:40 – 12:00

Orthobiologics for professional athletes

[+5 Q&A]

Dr Mathieu Sailly

Sports Medicine Specialist

MotionLab

LUNCH

12:05 – 13:30

13:30 – 13:40

Regenerative Medicine from the point of view of Swiss Medical Network

Dino Cauzza

CEO

Swiss Medical Network

13:40 – 14:05

Unprecedented tendon regeneration:

[+5 Q&A]

ITRT’s breakthrough with cultured mesenchymal Stem Cells

Dr MD, PhD Robert Soler Rich

Co-founder and Medical Director

Institute for Regenerative Tissue Therapy (ITRT)

Centre Médical Teknon

14:10 – 14:45

Round Table – Moderator: Dr Victor Valderrabano

Discussion: Next steps in Regenerative Medicine

- Prof Dr Philip Schoettle

- Dr Daniel Saris MD, PhD

- Dr MD, PhD Robert Soler Rich

SESSION III

CLINICAL PERSPECTIVES

14:45 – 15:05

Regenerative approaches for peripheral neuropathic pain

[+5 Q&A]

Dr Giorgio Pietramaggiore

Specialist in Plastic Reconstructive Cosmetic Surgery

Clinique La Source, CHUV, HUG

15:10 – 15:35

Adipose tissue Stem Cells: further applications

[+5 Q&A]

Dr Daniel Saris MD, PhD

Chair, Division of sports Medicine

Professor of Regenerative Medecine & Orthopaedics

Mayo Clinic

15:40 –15:50

SWISS STEM CELLS BIOTECH

Introduction of the Swiss Stem Cells solutions concept: from research to applications

Claudio Massa

CEO

Swiss Stem Cells Biotech

15:50 – 16:05

From Storage to Therapy: Medical Value of Biobanking

[+5 Q&A]

Dr Luca Mariotta

Plant Director and Qualified Person

Swiss Stem Cells Biotech

16:10 – 16:25

The New Possibility: Biobanking of Adipose Tissue

Gabriela Villalba

Business Development Manager

Swiss Stem Cells Biotech

CONCLUSION

16:25 – 16:35

Dr Philippe Glasson

Chair of the Medical Coordination Group

Vice-Chair of the Board of Directors

Swiss Medical Network

Gabriela Villalba

Business Development Manager

Swiss Stem Cells Biotech

SWISS MEDICAL NETWORK
REGENERATIVE DAY
FRIDAY, 21 NOVEMBER, 2025
